Hi Everyone,

**Fish Philosopher:** Is Everyone. After the very busy week we have had, with such outstanding effort and behaviour shown by all students, a reward was deserved by all! Well done kids!

**Taralga Sports Day:** Despite the cold weather at Taralga last Friday we had a very enjoyable day. All the children performed very well bringing home many ribbons, too many to mention, and I was very proud of them. Well done!

**Grandparents & Special Friends Day:** What a wonderful day we had yesterday! Thank you to all the Grandparents and Special Friends who were able to attend. We missed the ones unable to make it and look forward to seeing you next year. We were so proud of the children’s efforts throughout the day. Their behaviour, interest and questions asked at the Art Show showed remarkable initiative and interest. I was also very proud of the items performed by the students and their interaction with the Adults with activities which followed. We enjoyed a delicious morning tea provided by parents and staff. I would also like to take this opportunity to thank David Shepherd our General Assistant for working so hard to have the grounds looking so lovely for the day.

**Cowra Corroboree Schools Cultural Day:** **Friday 30th October.** The Cowra Corroboree is a special event organised by the Gunni Thkun Cultural Association in partnership with the Cowra Aboriginal Community. We are travelling by bus with Binda on Friday week to the Corridors Project Centre, Darby Falls Road, Wyangala. The bus will pick us up at 9.00am and will return at 3.00pm. Students are asked to pack their recess and lunch as normal. Please ensure they have sunscreen, hats and water and they are required to wear their **SPORTS UNIFORM** as they will be participating in activities such as spear throwing, boomerang throwing, fire making etc. Binda has organised funding for the bus so we would like to thank Mrs. Harrison for including us.

**Life Education Van:** **Tuesday 3rd November (week 5).** This year we travel to Binda to visit the Life Education Van. The cost is $10.00 per student and extra for items purchased. Transport is by bus leaving school at 9.00am and will return by 3.00pm. Please find attached a permission note to be returned by Monday 2nd November.

Regards,

Jo Coles,

Acting Principal

What do the Council mergers mean to Upper Lachlan Communities?
Mr. Baird has said that the ULSC must decide who they want to amalgamate with or he will do it for them—this affects us all across the ULS. Local committees, sporting bodies, employment, viability of our communities, service outlets in Gunning and Taralga, wind farm community money plus I am sure you can think of more questions you would like answered.
If you would like to talk about what this will mean for our communities then come along to a public meeting to be held at the Crookwell Memorial Hall on Wednesday November 4th at 7.30pm. Local councillors and staff will be invited and invitations will be going to all our politicians, including Mr. Baird. The council has to respond to IPART’s report by 18th Nov.
If you can’t attend the meeting please email your view to the council office or your 9 Councillors.
